

DECLARATION OF

INTERNATIONAL COOPERATION

*To all to whom these presents may come,
Be it known that*

We the undersigned have set forth our signatures as an acknowledgement of our lasting commitment to international cooperation to advance the science and practice of Iridology and Natural Healthcare.

We further agree, through this cooperative effort, to maintain high standards of clinical research, professional education and ethical practice, and to promote the unification of iridologists worldwide.

Set forth this 19th day of September 2015 in Paris, France.
